EDUX 7910: Cultivating Special Education

Podcast/Streaming Recommendations:

- [The Collaborative IEP podcast](#) These podcasts discuss all things special education from eligibility to implementation of the IEP. It covers basic concepts and dives deeper into specific topics. Learn about self-care for caregivers and professionals that support children on IEPs. Explore best practices, behavior, therapies, and more!
- [Inclusive Education Project](#) Disability rights is the next frontier in civil rights. Education is the key to building an inclusive society and ensuring that all students are given an equal opportunity. The Inclusive Education Project Podcast, hosted by Special Education and Civil Rights attorneys, Amanda Selogie and Vickie Brett, offers a fresh, smart perspective on what it takes to truly make our educational systems and communities inclusive.
- [The Sue Larkey Podcast](#) Sue Larkey enlightens, and entertains with valuable insights into Autism Spectrum Disorder, ADHD, ODD and PDA. Covering strategies from the Early Years to Teens Years and Beyond. Join Sue as she shares simple yet effective tips, supports and strategies on a range of topics including social skills, communication and positive behavior support.
- [Special Education for Beginners](#) Practical wisdom to help you handle all the classroom curveballs thrown your way, and learn how to laugh in spite of the chaos to celebrate those small, yet significant victories that only a special educator can understand.
- [SPEDTalk](#) Let's Elevate the Conversation and Celebrate the people and organizations making it happen for kids of Differing Abilities.
- [Unbabbbled](#) Navigating the world of special education, communication delays and learning differences can be a challenge. Tune in twice a month to hear Stephanie Landis and Meredith Krimmel, two speech-language pathologists at The Parish School, interview guests from parents to industry professionals with the goal of providing guidance, insight and hope to those touched by children who are differently wired. Each episode will cover a different topic related to education or child development. Whether you're the parent or caregiver of a neurodiverse child who has autism, a speech-language delay or a learning disability, or you're an educator who works with special needs children, this podcast is for you.
