

Master Teacher Guidelines

EDUX 7545: Educational Methods and Strategies – A

Suggested Guidelines for Master Teachers:

** Please be sure to read and follow the COURSE INSTRUCTIONS AND REQUIREMENTS on the course homepage. These suggestions are specific for Master Teachers completing this course.*

1. Professional Development Verification: Submit a copy of a certificate (or other evidence) from your master teacher training in the Course Workshop tab of your personal folder.

2. Journal Log and Activities: List the hours from your Master Teacher training in your Journal Log. For the remaining required hours of active learning, be sure to include time spent with your student teacher. To see additional examples of learning activities that may be used to meet the requirement for your Journal Log hours, see the COURSE INSTRUCTIONS AND REQUIREMENTS on the course homepage.

3. Reflection and Application: See the COURSE INSTRUCTIONS AND REQUIREMENTS on the course homepage.

For 2 and 3 unit courses:

4. Summary Paper: See the COURSE INSTRUCTIONS AND REQUIREMENTS on the course homepage.

For 3 unit courses:

5. Article Reviews and Evaluation: Read two educational articles that pertain to the Master Teacher training in which you participated. Suggested topics include:

- Adult learning theory
- Cognitive coaching
- Content-specific pedagogy and learning practices
- Inclusive practices
- TPE's and TPA's
- Professional expectations
