

# FALL Courses from College Credit Connection / Vanguard University

---

We at College Credit Connection / Vanguard University are complying with the recommendations of the CDC and the mandates set by the Governor. Therefore, our Face-to-Face format courses will stay with an online format for Fall classes. You can register online for the San Leandro Face-to-Face courses. We will still be following the posted Start and End dates. Course information can be found below.

Upon enrollment, I will send the updated Syllabus, Instructions for the new requirements, and Instructions for completing the course. Work will be the same but with Online hours to take the place of Face-to-Face hours.

Please feel free to contact me or our Office Manager, Dana Schwartz, at dschwartz@collegedebitconnection with any questions. Please share this information with any educators you think would enjoy the courses as well.

The safety and health of our students is our top concern. We hope you are all well, and I look forward to working with you online until this crisis has passed.

Sincerely,  
Lynne Frey
